Sabin team raises the 2nd place trophy. Congratulations for a super season!

We are the Champions! Stowe Girls On Top!

By : Bri Alvarez

This past weekend, our talented teams faced off in the much-anticipated Volleyball Championship. The atmosphere was electric as students, families, and staff filled the stands to cheer on their favorite teams. Saturday's Girls Volleyball Championship was held at the McCormick YMCA, as the match featured Stowe Elementary and Sabin Elementary. With both teams bringing their A-game, the match was intense! After a series of back-and-forth points, Stowe emerged victorious, claiming the championship title.

Special thanks to ...

McCormick YMCA and Adriana Georgescu for hosting the Championship game, Stowe Elementary Principal Jimmy Lugo, Sabin Elementary Principal Matthew Baker and all 60 staff and family supporters that attended the Championship match.
