This is Why we Play! Shout Out to Stowe Girls Team

Hi Monica and Marvin,
 Just want to give a shout out to the Stowe Girls basketball team and their coach. After playing them on Tuesday, my Sabin girls were saying the Stowe girls displayed great sportsmanship towards us. They competed hard, but were still friendly during and after the game. This is the ideal standard we want to reach when it comes to coaching and playing any competitive sport. I would just hope that more and more schools can display this positive attitude throughout competition and you should take pride in allowing this to happen within the CAAC league.
